

Tees and Forward Tees

The standard tees for SMGA events are the men's White Tees unless noted on the tournament schedule.

Any member who is not on the Forward Tee list (next paragraph) will play from the White Tees in SMGA events unless the tournament schedule or announcement specifies a different set of tees.

Any member may "Play it Forward" by asking the Tournament Chair (Vinnie Ryan vryan33@wbhsi.net) to put the member on any forward men's tee with a men's course rating. The most common forward tees are the White/Yellow combo and the Yellow tees. A list of all Forward Tee players is maintained by the Tournament Chair and is posted on the main SMGA board in the posting room and on the SMGA web site (Event/Forward Tee Players). Those tee assignments are also entered into the player database in our tournament pairing program.

A member who requests to be placed on a forward tee is expected to remain on the forward tee on a long-term basis.
